

## Video Rubric

	<b>Excellent</b>	<b>Fair</b>	<b>Poor</b>
<b>Framing</b>	The 'rule of thirds' is followed. There is appropriate head room.	There are a few moments in which the framing is inappropriate/awkward.	Subject is cut off in the frame (unless done purposefully). Background is distracting.
<b>Shots</b>	A mix of appropriate shot types are used.	Subjects are a few times inappropriately too far away or too zoomed in.	Subject is often inappropriately too far away or too zoomed in.
<b>Audio</b>	Clear sound, easy to hear what speakers are saying.	There are a few moments in which it is difficult to hear what speakers are saying.	It is not possible to hear what speakers are saying.
<b>Transitions</b>	Transitions are used tastefully to support the video narrative.	There are a few transitions that are inappropriate and/or distract significantly from the video narrative.	Transitions are inappropriate and/or distract significantly from the video narrative.
